Elite Plus is our most versatile retractable awning, with an adjustable "R-Pitch" shoulder that allows you to fine tune your late day sun protection. This optional feature is a patented, swivel wrist system that enables each corner of the awning to drop independently with a simple eyelet and manual hand crank system. The Elite Plus is a premium awning designed to last for a lifetime.

THE BENEFITS OF AN ELITE PLUS AWNING

- Built-in level on front bar for precision R-Pitch adjustments
- Unique cross-arm functionality available on units down to 3' 8" width
- Up to 24' wide drop valance available on projections up to 11' 9"
- Overall pitch adjustment up to 50° for complete coverage
- Belt arms extend the life of your awning
- Over 500 fabrics to choose from
- Projections available: 5'3", 7'8", 8'6", 10'2", 11'9", 13'6"
- Widths from 3'8" to 46' (in 1/4" increments)
- Optional hood protects awning fabric from the elements

Elite Plus With Optional Drop Valance

Optional Cross-arm technology allows greater projection at smaller widths, down to 3'8"
